

# WHEN IT ROCKS.. ARE YOU READY TO ROLL?

## Participate in the 2023 City of Beverly Hills' "I'm Prepared!" Employee Pledge Drive

**T**his year's campaign encourages employees to have an emergency kit for their car. For some, the time they think they should have an emergency kit in their car isn't until an actual emergency happens. Whether the driver causes the emergency, another driver, or an outside factor, it's essential to be prepared should the worst happen on the road.

### It's easy to participate!

- ❖ Using the handy checklist on the back of this flyer, put together or update supplies for a basic emergency preparedness kit for your car.
- ❖ When you are ready, complete the "I'm Prepared" pledge card below and submit to your department Emergency Management representative. You may also submit a scanned version of your completed pledge via email to: [preparedness@beverlyhills.org](mailto:preparedness@beverlyhills.org)
- ❖ As a reminder, all City of Beverly Hills employees are Disaster Services Workers as defined by the Emergency Services Act: therefore, employees may be needed in the response and recovery efforts of the city following a major disaster.
- ❖ A drawing of returned pledge cards will take place at the end of the month. The selected winner will receive a new emergency car kit!
